

REMARKS

The specification was amended to add the priority applications and insert the abstract into the specification. Claims 1-9 were amended to correct the improper multiple dependent claims and to correct typographical and grammatical errors. No new matter was added by these amendments. These amendments are the same as those that were made to the original specification and submitted to the Patent Office as the Substitute Specification at the time of the initial filing.

CONCLUSION

The Commissioner is hereby authorized to credit any overpayment or charge any deficiency in the fees filed, to our Deposit Account No. 18-1945, under Order No. ASZD-P01-708. Please direct any questions arising from this submission to the undersigned at (617) 951-7615.

Respectfully Submitted,
